Till I was completely wasted, out of work and down
All inside it's so frustratin' and I drift from town to town
Feel as though nobody cares if I live or die
So I might as well begin to put some action in my life

Breakin' the law, breakin' the law
Breakin' the law, breakin' the law
Breakin' the law, breakin' the law
Breakin' the law, breakin' the law

So much for the golden future, I can't even start
I've had every promise broken, there's anger in my
heart
You don't know what it is like, you don't have a clue
If you did you'd find yourselves doin' the same thing
too

Breakin' the law, breakin' the law
Breakin' the law, breakin' the law
Breakin' the law, breakin' the law
Breakin' the law, breakin' the law

You don't know what it is like

Breakin' the law, breakin' the law
Breakin' the law, breakin' the law
Breakin' the law, breakin' the law
Breakin' the law, breakin' the law

Breakin' the law, breakin' the law
Breakin' the law, breakin' the law
Breakin' the law, breakin' the law
Breakin' the law, breakin' the law
