There I was completely wasted  
Out of work and down  
All inside it's so frustrating  
As I drift from town to town  
Feel as though nobody cares  
If I live or die  
So I might as well begin  
To put some action in my life

Breaking the law, breaking the law  
Breaking the law, breaking the law  
Breaking the law, breaking the law  
Breaking the law, breaking the law

So much for the golden future  
I can't even start  
I've had every promise broken  
And there's anger in my heart  
You don't know what it's like  
You don't have a clue  
If you did you'd find yourselves  
Doing the same thing too

Breaking the law, breaking the law  
Breaking the law, breaking the law  
Breaking the law, breaking the law  
Breaking the law, breaking the law

You don't know what it's like

Breaking the law, breaking the law  
Breaking the law, breaking the law  
Breaking the law, breaking the law  
Breaking the law, breaking the law  
Breaking the law, breaking the law  
Breaking the law, breaking the law  
Breaking the law, breaking the law  
Breaking the law, breaking the law
