Well I wanted to be someone aside from who I am  
But a shadow cannot follow those without command  
Full of expectations of someday getting out  
Of my normal situation to someday make them proud  
Hey what's going on?  
Is this really necessary?  
Hey what's going on?  
Is this really necessary to be so ordinary?

I'd like to save the world or maybe just this town  
But I can' even conquer the demons in my house  
How about an invention to put us all at ease?  
Or maybe just a movie for everyone to see
