Just another Sunday evening gathering with my friends
Like a movie scene the record screeched
Mesmerized, catching flies stuck in a dream
Who's that girl?
The one that's in the green shirt
Who's that girl?
One row up and three seats over
Who's that girl?
Well maybe I should ask her
Who's that girl?
But I don't want to get hurt
Tell me who is that girl?

Well I got her name and number
Called her up on the phone
But we all know how the story goes
And it's not a very happy ending
