Hey how was your day?
How are you feeling?
Are you feeling ok?
Well as far as I can tell
You're looking kind of cloudy
Or is it just me?

Well it's not that easy I cannot lie
But you'll never know until you try

Are you happy today? Is the world spinning round'?
Is the sun shining bright in your face today?
Maybe tomorrow will bring a new song to sing

I don't want to ignite
But I've got some answers
That might do you right

But it all depends
On what you're willing to give up
In your race to the end
