Verse 1

Here i am,
without you,
a new day,
has come threw,
i take a breathe but it would last
until i pass the test
(wowowo)
1....2....3

Chorus

a new day, sounds great
a new time, may sound better,
then great,
a new place, without a maze
i gaze upon the moon and pray this will come true
till the end

Verse 2

The phone rings,
i gotta call,
on my final test,
they told me,
i never passed,
the test,
i got mad,
then threw a fit,
i played cards until
i passed out

from...thinking about

Chorus

a new day, sounds great
a new time, may sound better,
then great,
a new place, without a maze

i gaze upon the moon and pray this will come true
till the end
till the end
till the end
of my useless life
till the end
of my useless
life
