[Intro: Ginuwine]

Yeah, \*humming\*, listen baby

[Chorus 2X: Ginuwine]

Uh huh, baby I got big plans  
The big ring, the small hand  
A big cake, a bridesmaid, a best man  
One day, we gon' have all that

[Ginuwine]

Girl I know we just met tonight  
And this may seem like a lie  
But, I'm not the player type  
Guess what? Normally you wouldn't find me  
Under the crowd of lights, in search of a love in life  
But you shakin' that stuff right  
I think I should make you my wife

[Chorus 2X]

[Ginuwine]

You probably think I'm tryin' crush tonight  
Cuz I got a look of lust, like crust in my eye  
No matter what I say, keep it tight  
Keep it away from me like Superman and kryptonite  
You see I'm not thinkin' short term, I've learned  
Givin' everybody turns, can I like a back burn  
Oh, you got this lover wanna beg to earn, oh baby

[Chorus 2X]

[Ginuwine]

I know it sounds boo, I ain't even known you two  
Days and I'm open to, the point that I propose to you  
Must think I'm some kind of fool, don't you  
You can call it what you're thinkin'  
But I'm thinkin' we gon' jump that broom

[Method Man]

Back-seat of my jeep, let's swing an episode  
Her neck and wrist all froze, I'm trynna catch a cold

Clippin' the trey, we sippin' away  
On that 'Ze, innovations, slowin' slippin' away  
Ain't life funny, don't nothin' move but that money  
Oh boy, honeys, lookin' like Playboy bunnies  
They whole swagger, that be the type that I go after  
That get more attention cuz they ass is more fatter  
And every day gotta have a, but I ain't tryinna make her  
unconfy  
Or cramp her style like a monthly  
How many women want a man, with big plans  
Big feet and big hands, ya'll understand  
Why big daddy wear the big pants, I'm big boned  
And if this symbolizes my life, I live long  
My funny valentine, won't you be mine  
Fifty grand on the wedding band, let it G-Wine

[Chorus 2X]
