Well, I told you, pretty baby  
Such a long time ago  
If I found you with another  
Well, I'd walk right out your door  
You might call me crazy  
There's one thing you should know  
Oh honey, if you want me to love  
You've got to give it up or let me go

I know it's useless to be jealous  
Couldn't tie you if I tried  
When I'm thinkin' you're messin'  
Around my back  
Brings a pain I just can't hide  
Oh baby, I've been true to you  
And if I can make that sacrifice  
Honey, you can do it too

Well, you come home drunk and nasty  
You won't tell me where you've been  
Just when things are nice and sweet  
You're goin' back out again  
Why did you want to mess up a good thing?  
I'm gonna find me another man  
One who wants to give me everything

Well, I told you, pretty baby  
Such a long time ago  
If I found you with another  
Well, I'd walk right out your door  
Oh you might call me crazy  
One thing you should know  
Honey, you want me to love  
You've got to give it up or let me go  
Give it up now, you

Give it up or let me go
