I made a promise to myself  
Locked it way deep down inside  
Told my heart we'd wait it out  
Swore we never compromise

Oh, I'd rather be alone  
Like I am tonight  
And settle for the kind of love  
That fades before the morning light

Silence stared me in the face  
And I finally heard its voice  
It seemed to softly say  
That in love you have a choice

Today I got the answer  
And there's a world of truth behind it

Love is out there waiting somewhere  
You just have to go and find it

I believe in love, I believe in love  
Love that's real, love that's strong  
Love that lives on and on  
Yes, I believe in love

I believe in love, I believe in love  
Love that's real, love that's strong  
Love that lives on and on  
Yes, I believe in love, yes, I believe in love
