She's got you wrapped up in her satin and lace
Tied around her little finger
She's got you thinking, you can never escape
Don't you know your heart's in danger

There's a Devil in that Angel face
If you could only see
The love that you're wasting

I can love you better than that
I know how to make you forget her
All I'm asking is for one little chance
'Cause baby, I can love you
Baby, I can love you better

I'm gonna break the spell she's got on you
You're gonna wake up to find
I'm your desire, my intentions are true
Hey, babe, I know in time

You're gonna see what you mean to me
So open up your eyes
'Cause seeing is believing

I can love you better than that
I know how to make you forget her

All I'm asking is for one little chance
'Cause, baby, I can love you
Baby, I can love you better

I can love you better than that
I know how to make you forget her
All I'm asking is for one little chance
'Cause baby, I can love you
Baby, I can love you

I can love you better than that
I know how to make you forget her
All I'm asking is for one little chance
'Cause baby, I can love you
Baby, I can love you better

I can love you better than that
I know how to make you forget her
All I'm asking is for one little chance
'Cause baby, I can love you
Baby, I can love you

I can love you better than that
I can love you better
I can love you better than that
Baby, I can love you
Baby, I can love you better
