Forgive, sounds good.
Forget, I'm not sure I could.
They say time heals everything,
But I'm still waiting

I'm through, with doubt,
There's nothing left for me to figure out,
I've paid a price, and I'll keep paying

I'm not ready to make nice,
I'm not ready to back down,
I'm still mad as hell
And I don't have time
To go round and round and round
It's too late to make it right
I probably wouldn't if I could
Cause I'm mad as hell
Can't bring myself to do what it is
You think I should

I know you said
Why can't you just get over it,
It turned my whole world around
buti kind of like it

I made my bed and I sleep like a baby,
With no regrets and I don't mind saying,
It's a sad sad story
That a mother will teach her daughter
that she ought to hate a perfect stranger.
And how in the world
Can the words that I said
Send somebody so over the edge

That they'd write me a letter
Saying that I better shut up and sing
Or my life will be over

I'm not ready to make nice,
I'm not ready to back down,
I'm still mad as hell
And I don't have time

To go round and round and round
It's too late to make it right
I probably wouldn't if I could
Cause I'm mad as hell
Can't bring myself to do what it is
You think I should

I'm not ready to make nice,
I'm not ready to back down,
I'm still mad as hell
And I don't have time
To go round and round and round
It's too late to make it right
I probably wouldn't if I could
Cause I'm mad as hell
Can't bring myself to do what it is
You think I should

Forgive, sounds good.
Forget, I'm not sure I could.
They say time heals everything,
But I'm still waiting
