Forgive, sounds good
Forget, I'm not sure I could
They say time heals everything
But I'm still waiting

I'm through with doubt
There's nothing left for me to figure out
I've paid a price
And I'll keep paying

I'm not ready to make nice
I'm not ready to back down
I'm still mad as hell and I don't have time
To go round and round and round

It's too late to make it right
I probably wouldn't if I could
?Cause I'm mad as hell, can't bring myself
To do what it is you think I should

I know you said
?Can't you just get over it??
It turned my whole world around
And I kinda like it

I made my bed and I sleep like a baby
With no regrets and I don't mind sayin'
It's a sad, sad story when a mother will teach her
Daughter that she ought to hate a perfect stranger

And how in the world can the words that I said

Send somebody so over the edge
That they'd write me a letter sayin' that I better
Shut up and sing or my life will be over

I'm not ready to make nice
I'm not ready to back down
I'm still mad as hell and I don't have time
To go round and round and round

It's too late to make it right

I probably wouldn't if I could
?Cause I'm mad as hell, can't bring myself
To do what it is you think I should

I'm not ready to make nice
I'm not ready to back down
I'm still mad as hell and I don't have time
To go round and round and round

It's too late to make it right
I probably wouldn't if I could
?Cause I'm mad as hell, can't bring myself
To do what it is you think I should
What it is you think I should

Forgive, sounds good
Forget, I'm not sure I could
They say time heals everything
But I'm still waiting
