I can't find a reason
To let go
Even though you've found a new love
And she's what your dreams are made of
I can a reason
To hang on
What went a wrong and be forgiven
Without you it ain't worth livin' alone

Sometime I wake up crying ay night
And sometimes I scream out your name
What right does she have to take you away?
When for so long u were mine

Took at the pictures of our wedding day
It was a time of love and laughter
Happy ever after
And even tho the pictures have begun to fade
Please tell me she's not real
That you're really coming home to stay

Sometime I stay up crying all night
And sometimes I scream out your name
What right does she have to take your heart away?
For so long you were mine

I could give u two good reasons
To show you loves not blind
He's 2 and she's 4
And you know they adore you
So how can I tell them you changed your mind?

Some time I wake up crying at night
And sometimes I scream out your name
What right does she have to take your heart away?
When for so long u were mine

I remember when u were mine
