I was standin' by the bedside of a sister  
Who was just about to cross that swellin' tide  
And I asked her if she would do me a favor  
And kindly take this message to the other side

Well, if you see my Savior tell him that you saw me  
And when you saw me I was on my way  
You may meet some boyfriends who may ask about me  
You tell 'em I am a comin' home someday

I was standin' by the bedside of a sister  
Who was just about to cross that swellin' tide  
And I asked her if she would do me a favor  
And kindly take this message to the other side

Well, you may have to make this journey on without me  
Sooner or later, sooner or later it's a debt that must be  
paid  
When you reach that goal that's when you'll think about  
me  
But don't forget to tell my Savior what I said

I was standin' by the bedside of a sister  
Who was just about to cross that swellin' tide  
And I asked her if she would do me a favor  
And kindly take this message to the other side  
And kindly take this message to the other side
