\*Stevie\*

There's a plane its  
Headed for London  
24 hours more  
And he'll be on it  
And I can't show my love  
And I can't stop it  
No I can't stop it

There's a house there  
Somebody's waiting  
Somebody else's arms will wrap around him  
In that moment  
What will he think then  
When I can't touch him

REFRAIN (Natalie & Stevie)  
Maybe my love could fly  
Over the ocean  
Maybe my heart should try to  
Leave him alone  
All that I really know  
Is that he's goin'  
Too far from Texas  
Too close to home

\*Natalie\*

In a room just

Outside of Houston  
That's where I spend my nights  
Trying to get through to him  
He says he's coming back  
In every letter  
But he might never  
No he might never

REFRAIN

\*Stevie & Natalie\*

Does he know how long  
I've waited for this love to come

Does he know I'm holding on  
And that won't change no matter where he's gone

REFRAIN X 2

\*Stevie & Natalie\*  
Couldn't I, couldn't I wait  
Couldn't he, couldn't he stay  
One more day  
Couldn't I, couldn't I wait  
Couldn't he, couldn't he stay  
One more day
