Darlin', you send me, darlin', you send me
I know you send me, honest you do
Honest you do, honest you do

You thrill me, I know you thrill me
I know you thrill me, honest you do
Honest you do, honest you do

When at first I thought it infatuation
But now it's lasted so long and now
I find myself wanting to marry you
And take you home

Whoa, you send me, darlin', you send me
I know you send me, honest you do
Honest you do, honest you do

When at first it was infatuation
But now it's lasted so long and now
I find myself wanting to marry you
And take you home

You send me, you send me, you send me
Honest you do, you send me
