**Verse 1:**

I can sing a song  
I can give you things  
I can show you the colors of the star  
I can touch the sky  
I can easily find my way to life  
I can be somebody if you want to

**Refrain:**

And Before I go  
Before I leave  
I want you to know  
That I love you

**Chorus:**

And I sing  
And I do the things  
And I take those fears away  
And I smile  
When you look at me  
Those sparking lovely eyes  
Are killing me  
Will I ever be your number one?

**Verse 2:**

Open your eyes  
And look at the window  
You can see me smiling  
They ask me  
So many questions  
All I say is your name

- Repeat Refrain and Chorus

**Bridge:**

Every time I think of you  
I just keep on missing you

- Repeat Chorus except last line  
- Repeat Chorus
