It's almost summer
And I can almost feel that sweet sunshine
Pourin' out this heart of mi-i-i-i-i-ine
Ooh-ooh-ooh-ooh-ooh

Yes it's almost summer
And I will spend each week day slowly fryin'
I can't wait, I can't wait for the summerti-i-ime
Yeah summerti-i-i-ime

Livin' and lovin' life's so damn easy
When days are sunny and skies are blue-ue
And dancin' all night, some parties till the daylight
Drink Tequila Sunrise with the morning dew
And you-ou-ou my lady
I'm makin' love in the sand while the surf keeps time

I can't wait, I can't wait, I can't wait - summertime

Ooh, summerti-ime

Livin' and lovin' life's so damn easy
When days are sunny and skies are blue
Dancin' all night, some parties till the daylight
Drink Tequila Sunrise with the morning dew
A-and you-ou-ou, my lady
We're makin' love in the sand while the surf keeps time

I can't wait, I can't wait, I can't wait
I can't wait, I can't wait, I can't wai-ait
I can't wait, don't be late
For the summerti-i-ime

Ooh-ooh summertime
Yes the summerti-ime
Ooh summerti-i-i-i-ime
