Out into the moonlight  
Slippin' through the dark  
In and out of shadows  
I'll make them watch dogs bark

Some meal breaks the darkness  
Its a small late night cafe  
I peep into a window  
And I spot a lonely prey

Here comes another nite rite  
A fantasy comes true  
Here comes another nite rite  
And the victim girl is you  
There dancin' in the moonlight  
This exctasy comes true  
Here comes another nite rite  
And the sacrifice is you

I hunt the silent places  
Where the magic lights the skies  
Seeking pretty faces  
With some fire in their eyes

The clock is striking midnight  
And a fantasy comes true  
I see another nite rite  
Comin' into view

Here comes another nite rite  
A fantasy comes true  
Here comes another nite rite  
And the victim girl is you  
There dancin' in the moonlight  
This exctasy comes true  
Here comes another nite rite  
And the sacrifice is you

Nite  
Nite  
(Another nite rite)  
Nite

The sacrifice is you  
The sacrifice is you  
Nite  
Nite  
(Another nite rite)  
Nite  
The victim girl is you  
The victim girl is you
