somewhere over the rainbow.... way up high
in the land.... that i heard of once.... in a lullaby
well, somewhere over the rainbow.... skies are blue
and the dreams.... that you dare to dream
really do come true

someday, ill wish... upon a star
and wake up where the clouds are far behind me
where troubles melt like a lemon drops
away above the chimney tops
that's where you'll,find me

somewhere over the rainbow....skies are blue
and the dreams....that you dare to dream
really do come true

someday, ill wish... upon a star
and wake up where the clouds are far behind me
where troubles melt like a lemon drops
away above the chimney tops
that's where you'll find me

somewhere over the rainbow... skies are blue
and dreams you dare to dream
really do come true

if bluebirds fly
above the rainbow
why...oh why can't I

if bluebirds fly
above the rainbow
why..oh why can't I
