If you take this conversation to the limit
You will feel the warmth and love thats within it
Owww
Its not a dream
Owww
Its not a dream

Give me a simple life
Fit for a simple man
Where I can spend my days just
Being what I am
I found an angel girl
Free from all vanity
She just wants to raise our child and
Spend her days with me

If you take this conversation to its end
You will feel the warmth and love thats within it
Ohhhh
Its not a dream its not a dream
Dream

If you hear what I'm say
When I'm near you
Then say what you feel
I can hear you
Words pass between us now
With such simplicity

Give me a simple life
Fit for a simple man
Where I can spend my days
Being what I am

Do what you like
Like what you do
To all things in love
Love will come to you
Take what you need
Need what you take
There's only one life
Its the one you make

Give me a simple life
Fit for a simple man
Where I can spend my days
Being what I am

Give me a simple life
Where I can spend my days
Just being what I am
