She's dancing so sexy
I can't control it
Whoa oh oh oh oh oh
And when she starts moving
This girl just keeps going and going and
Yeah she makes her booty go

Round round round
Round round round
She goes down down down
To the ground ground ground
It's so
Round round round
Round round round

She throw that
Round round booty around

I never met a girl like you
That makes me feel the way that you do
And every time I look at her
I'm reminded of her sexy curves

This girl is so fly
Her booty's just right
I gotta get behind her tonight

The way that she moves
From left to right
I came
So I gotta make her mine

She's dancing so sexy
I can't control it
Whoa oh oh oh oh oh
And when she starts moving
This girl just keeps going and going and
Yeah she makes her booty go

Round round round
Round round round
She goes down down down

To the ground ground ground
It's so
Round round round
Round round round

She throw that
Round round booty around

I know your type
Dinner and a movie
Walks on the beach
Then it's straight to the jacuzzi
Apple Bottom plum
I gotta get me some
Right now yeah

Now now now girl it's all right
I'm a dog I can't lie
Imma ride right behind you
Til the wheels fall off

Just you and me-e
And your booty-e
We're a perfect match
That anybody could be

She's dancing so sexy
I can't control it
Whoa oh oh oh oh oh
And when she starts moving
This girl just keeps going and going and
Yeah she makes her booty go

Round round round
Round round round
She goes down down down
To the ground ground ground
It's so
Round round round
Round round round

She throw that
Round round booty around

Now all the ladies with their booty
Get your ass on the floor
She makes that booty bounce
Booty bounce bounce bounce
I'm addicted to it to it addicted
Give me some more
She makes that booty bounce

She makes her booty go

Round round round
Round round round
She goes down down down
To the ground ground ground
It's so
Round round round
Round round round

She throw that
Round round booty around
She makes her booty go

Round round round
Round round round
She goes down down down
To the ground ground ground
It's so
Round round round
Round round round

She throw that
Round round booty around

And the booty goes
Round and round and round it go
