I'm lost again, wide-eyed and alone  
I need the right track  
Yeah, I need a new home

Bring me anything  
Bring me anything

Is there anyone underneath the sun  
Who can keep me from burnin' out?

I took the time, watered and watched it grow  
Nine years of my life gone  
In a blink of an eye and they're gone

Bring me anything  
Bring me anything

Is there anyone underneath the sun  
Who can keep me from burnin' out?  
Is there anyone underneath the sun  
(Is there anyone?)  
Who can keep me from burnin' out?

Is there anyone underneath the sun  
Who can keep me from burnin' out?  
Is there anyone underneath the sun  
(Is there anyone?)  
Who can keep me from burnin' out?  
Burnin' out
