On Madison Avenue I wait for you
On Madison Avenue I wave to you
On Madison Avenue we rendezvous
Like we always do
On Madison Avenue I smile at you
'Cause I needed to

It's alright if you need a friend
I told you twice: "I'll be there 'til the end"

On Madison Avenue I look for you
There's smiles all over
But their lines ain't right

It's alright if you need a friend
I told you twice: "I'll be there 'til the end"
It's alright if you need a friend
I told you twice: "I'll be there 'til the end"

It's alright if you need a friend
(If you need a friend)
I told you twice: "I'll be there 'til the end"
(I told you twice)

'Til the end...
'Til the end...
'Til the end...
