"Stay Home"

You're one in a million and you don't even know
'Cause you're one in a million
All I ever wanted was a beautiful smile
At least for awhile
You're my one in a million
And I'm asking you to stay

Stay home
Stay home
Stay home...
Don't go

Let me show you a time, we gotta rewind
You won't even know it's me
I was one of the millions lost off course
Took so long to find you
Take my hand, without yours mine is trembling
You're my one in a million
And I'm begging you to stay

Stay home
Stay home
Stay home...
Don't go
Stay home
(Don't go, my one in a million, no)
Stay home
(Don't go, my one in a million, no)
Stay home
(Don't go, my one in a million no)
Don't go
(Don't go, my one in a million no)

Stay home, don't go away
Stay home, don't go
(I'm telling you to stay)

Stay home
Stay home
Stay home...
Don't go
Stay home

(Don't go, my one in a million no)
Stay home
(Don't go, my one in a million no)
Stay home
(Don't go, my one in a million no)
Don't go
