What a surprise  
What a surprise

I knew I'd find you here  
Sitting against the ugly tree  
It's not why this innocent girl, don't be scared

Yes I'm in love with you, all the things you put me  
through  
Yes I'm in love with you, all the things you put me  
through  
No I'm not in love with you, the things you put me  
through  
I don't know what to do, the things that you put me  
through

5, 4, 3, 2, 1 lets go...  
I can't seem to be looking for anything  
Fast let me tell you that  
Stand strong, and don't preform till the sun comes up  
Just dance  
Touch me, I'll touch you back  
Just dance and feel the music

Please don't go away, smoke a little more in enough  
Hey you're back but now you're leaving soon  
Tonight I'll be seen, just run away dreaming

I'm not as jealous as they come  
Turn your back to the dance floor  
I'm not as a champion  
Turn your back to the dance floor

Just tell me  
Just tell me  
Just tell me  
Just tell me  
Just tell me  
Do you care to dance?  
Do you care to dance?
