(To C?cile T)
(Paroles : Sire - Dickinson / Musique : Sire)

She's my man

State versus action
We are what we are
But the action is dependent on the state
Nature's revenge or
Nature's sense of humor ?
Nature's Revenge
She's my man

(Refrain)
She's my man
Its bittersweet / Its bittersweet
Its stranger than me
Its tragic - its magnetic

Is this love ?
My platonic platitude (bis)
Why does she do this to me
Does she even know
How she affects me ?

(Refrain)
She's my man
Its bittersweet / Its bittersweet
Its stranger than me
Its tragic - its magnetic

She's my man

We could be rivals
But I could not compete
With her or for her
She has my heart
She has me
She's my man (bis)

(Refrain)

She's my man (...)
But her heart is with another
And if that ends
She will be with another
And that "other"
Can never be me
