(Paroles : Sire et musique : Sire)

I know
Death is difficult to live
I Know
You thought I was eternal
I used this word but we are dependent
On our ultimate equality

(Refrain bis)
But you could at least
Pay homage to the one leaving
Danse / sing
Make flowers blossom
Dig a garden on my grave
Dig a garden on my grave

I know
I laughed so much and I'm worn out
I know
I loved - life - too much
I can't accept any wasted time

(Refrain bis)
But you could at least
Pay homage to the one leaving
Danse / sing
Let's rekindle my flame
Make a chimney on my grave
Make a chimney on my grave

I hesitated for a long time
Between leavin' my life as novels
Or really writing them
To save time
Brushing aside regrets
I fell calm
I am free
I admit I've truly lived

(Refrain bis)

From afar
Pay homage to the one leaving
Danse / sing
Just turn the pages
Tell a story on my life
Tell a story on my life
