She's been waiting a long time to tell you something,
but don't take it the wrong way she's not all out for
blood. There's no time for reason. You've said it all.
You've got your regrets, and I'm set to fall. She's
always had her heart set on something better, and
there's fear and a bloodshot desperate look in her
eyes. Screaming there will be gunshots if I continue to
stay here, and heading down Hwy 94 to Tecate with no
alibis. Keep driving til the city lights fade out. Keep
driving because I don't want to go home. Keep driving
til the city lights fade because I will never surrender
and I will never return to my home!
