Even though I was blind before.  
I've realized there is so much more.  
And it was always deep down in the core of me, I know  
it now.  
And even though it seems to much to take, there's a  
feeling I can't seem to shake.  
I feel like I'm reading the signs, cause I know that I'm  
coming around.  
I thought I wanted someone perfect as could be.  
When what I needed was the one, who was perfect for  
me.  
Even though it used to seem so wrong,  
I've taken you for granted far too long.  
I'm falling right into the denouement.  
And now, I'm breaking ground.  
Even though I felt it from the start,  
It's only now, we're beating with one heart.  
I'm sure that now it's the time  
Cause I know that I'm,  
The sun is starting to shine.  
Cause I know that I'm,  
I'm coming around
