All my dreams  
I'm chasing after,  
They don't need  
all this laughter...

I take a grain of salt,  
stiff upper lip.  
It's not their fault  
I'm not as hip.  
Wake up kid, you know you're more than this...

I'm the smartest person  
that I've ever met.  
So why do I allow myself to  
possibly forget

There's so much I know how to do,  
so much more than all of you.  
The only thing I wish I knew  
was how to make them see  
the girl that I can be....

I am  
the coolest girl in the whole wide world  
I know it  
but can't show it at all.

I am  
sick and tired  
of low, not higher  
places, where I should belong.  
Well, it's about time I proved them wrong...

So give me a shot  
to show what I've got!  
I'm a helluva whole lot more

than this frizzy hair,  
these frumpy clothes I wear,  
though I rock 'em like nobody you've seen before

'Cause I am

the coolest girl in the whole wide world  
I know it  
below it all.

I am  
done with losin',  
on with choosin'

The coolest girl on the face of the planet,  
The coolest b\*tch on earth, goddammit!  
The coolest chick you've ever seen or heard!  
So you can try to bring me down,  
but sorry guys, I'm stickin' around!  
I've thought about it, and I've found

That I am  
The coolest girl!  
... Yeah!
