VOLDEMORT:

When I was a boy  
An orphan boy  
I'd love to move my feet  
I'd hear a tune and start to swoon  
My life would seem complete

The other boys would laugh and jeer  
But I'd catch em tappin their toes  
Cause when I'd start to sway, they'd get carried away.  
And oh, how the feeling grows

I'd take my foot  
My little foot  
And with that foot  
Oh, how I'd start to shake

I'd take two feet  
Two tiny feet  
Hey look! That's neat!  
It's coming true  
I finally get to dance again! Wahoo!

To dance again  
I've been waiting all these years  
To dance again  
Now, at once, a chance appears  
to hear that beat, so on your feet  
It's time to dance again!

(spoken) Cmon potter! Imperio!

You take your foot  
Your little foot  
Hey look! Your foot!  
See how it starts to shake

QUIRRELL:

Ooh try his arms!  
How bout a twirl!  
He's like a girl!  
How overdue!

I finally get to dance again with you!

VOLDEMORT & QUIRRELL:

To dance again!  
I've (you've) been waiting all these years  
To dance again  
Now at once a chance appears  
It's lovely swaying, and the music's playing  
So come on! Let's dance again!

VOLDEMORT: Everybody!

DEATH EATERS:

I take my foot!  
(VOLDEMORT: You take your foot)  
My little foot!  
(VOLDEMORT: Take that little foot!)  
And oh my foot!  
(VOLDEMORT: Lemme hear it now!)  
Look how it starts to shake

OH, Voldys back  
(VOLDEMORT: Hello world!)  
For the attack  
(VOLDEMORT: I'm gonna getcha!)  
Hell take over the world, it's true  
But first there's something he's gotta do

ALL:

He'll dance again!  
He's been waiting all these years  
To dance again  
Now at once a chance appears

VOLDEMORT:

Everybody make way for a pas de bourre

ALL:

It's time to dance  
It's time to dance  
It's time to dance again!
