(Darrell Glenn)

You say you're tired of struggling along
Bear with me a little longer
Seems like everything I do turns out all wrong
Bear with me a little longer.

It hasn't been easy
I know at least up to now
But if you'll understand me have faith in what I'm trying
I know we'll make it somehow.

I'll say a prayer for us tonight
I'll pray that your love will grow stronger
And then everything will be alright
Bear with me a little longer.

I've heard it said a million times
You can't have heaven on earth
But the law of average says things will be better
We've already been through the worse.

I'll say a prayer for us tonight
I'll pray that your love will grow stronger
And then everything will be alright
Bear with me a little longer...
