I'm sending you a big bouquet of roses  
One for every time you broke my heart  
And as the door of love between us closes  
Tears will fall like petals when we part

I've begged you to be different but you'll always be untrue  
I'm tired of forgiving now, there's nothing I can do  
So I'm sending you a big bouquet of roses  
One for every time you broke my heart

You made our lover's lane a road of sorrow  
Till at last we had to say goodbye  
You're leaving me to face each blue tomorrow  
With a broken heart you taught to cry

I know that I should hate you after all you've put me through  
But how can I be bitter when I'm still in love with you  
So I'm sending you a big bouquet of roses  
One for every time you broke my heart  
One for every time you broke my heart
