(Hank Cochran)

Seat me in the crying section  
I'm afraid the tears are gonna fall  
Seat me in the crying section  
That I won't be out of place at all.

I hear that my baby comes in view  
And I've got to see her one more time  
But I'm afraid when I do she'll be with someone new  
Then I know that I'll go out of my mind.

Seat me in the crying section  
I'm afraid the tears are gonna fall  
Seat me in the crying section  
That I won't be out of place at all.

Tell me does she come here by herself  
Could it be that she's sorry that we're through  
Maybe if she's along I can tell her I was wrong  
But I'll scream if she's seen with someone new.

Seat me in the crying section  
I'm afraid the tears are gonna fall  
Seat me in the crying section  
That I won't be out of place at all...
