(Dallas Frazier - Sanger D. Shafer)

If I never love again I won't feel cheated  
You gave me more than I knew how to use  
When we met I thought love's journey was completed  
Oh, but now you say our darling days are through.

Seems like yeasterday we called each other darling  
Seems like yesterday you reached and touched my  
hand  
I'd love to hear you say good morning darling  
Of what I'd give to live those darling days again.

--- Instrumental ---

Today my heart survives on love that's borrowed  
From all the happy yeasterdays we knew  
If I knew for sure the world would end tomorrow  
I'd want to spend my last day loving you.

Seems like yeasterday we called each other darling  
Seems like yesterday you reached and touched my  
hand  
I'd love to hear you say good morning darling  
Of what I'd give to live those darling days again...
