(Billy Walker)

Goodbye my love it's time to go I heard a silver trumpet  
blow

It's calling me to find the boat and so my love goodbye  
The world is ours to wander free neath heaven up  
above

Goodbye my love it's time to go I heard a silver trumpet  
blow

It's calling me to find the boat and so my love goodbye.

--- Instrumental ---

Goodbye my love now don't you cry we'll be together  
by and by

We'll keep ol' glory waving high and so my love  
goodbye

No matter where on earth I'll go it's you I'm dreaming  
of

Goodbye my love it's time to go I heard a silver trumpet  
blow

It's calling me to find the boat and so goodbye my  
love...
