Na na na na na na na na na na na na I'm gonna keep on
keep on loving you
You tell me to stop loving you that I'm just wastin' my
time
But you can talk till you turn blue you're not the ruler of
my mind
You're telling me that I am free and that I should be on
my way
You say that's how it's got to be but this is what I've got
to say
Nobody tells me what to do I'm gonna keep on loving
you
Every day my whole life through I'm gonna keep on
loving you
(Na na na na na na) na na na na na na I'm gonna keep
on keep on loving you

You're telling me it won't be long until I've used up all
my pride
You may be right I may be wrong but that's one thing
that I'll decide
Nobody tells me what to do...
(Na na na na na na) na na na na na na I'm gonna keep
on keep on loving you
