(W.S. Stevenson - Paul V. Blevins - Joseph H. Hobson)

Let me be the one to walk with you
When you want somebody to talk with you
Anything that makes you happy I wanna do
Oh darling, let me be the one.

Let me be the one who means the most
The one you wanna love and call your own
And when you choose your partner I wanna be the
choice
Oh, please let me be the one.

Let me be the one to sit with you
And when you want some lovin' I'll know just what to do
Lots of lots of huggin' and a kiss or two
You've gotta let me be the one.

Let me be the one to take you out to
Your favorite places you have no doubt
And when the evening's gone we'd kiss goodnight
Oh, please let me be the one.

--- Instrumental ---

Let me be the one to share with you
All your little pleasures and sorrows too
In all kinds of weather I wanna be with you
Oh, please let me be one.

Let me be the one to hold your hand
When the preacher says do you take this man
All those happy thoughts will be so much fun
If you'd only let me be the one...
