Won't you tell me Molly darling that you love none else
but me
For I love you Molly darling you are all the world to me
Oh tell me darling that you love me put your little hand
in mine
Take my heart sweet Molly darling say you'll always be
just mine
Stars are shining Molly darling through a misty veil of
night
They seem laughing Molly darling while they seem to
hide their light
Oh no one listens but the flowers while they hang their
heads in shame
They are modest Molly darling when they hear me call
your name
Molly there is sweetest dearest look up darling tell me
this
Do you love me Molly darling let your answer be a kiss
