(Boudleaux Bryant)

With all of the love that's around and about
Do you think anybody oughta be without?

No, no, no, no, no
A no, no, no, no, no
I say no one oughta be without love
No, no, no, no, no.

With all of the lips that wanna be kissed
Do you think any of us oughta be missed.

No, no, no, no, no
A no, no, no, no, no
I say no one oughta be without love
No, no, no, no, no.

So baby it's plain that you and I agree
The same rules must apply to you and me
So if I wanna kiss and you will allow
Is there any reason why we shouldn't start now.

No, no, no, no, no
A no, no, no, no, no
I say no one oughta be without love
No, no, no, no, no.

So baby it's plain that you and I agree
The same rules must apply to you and me
So if I wanna kiss and you will allow
Is there any reason why we shouldn't start now.

No, no, no, no, no
A no, no, no, no, no
I say no one oughta be without love
No, no, no, no, no...
