I got you on my mind again  
I tried to keep a smile on my face and make believe  
another never took my place  
But just when I think I forgotten that's when I got you on  
my mind again  
I tell myself the sun will shine and there will be another  
love for this heart of mine  
But just when I think I'm about to win I got you on my  
mind again  
All my friends say forget you and find me somebody  
new  
But all my friends just don't understand the love this  
heart holds for you  
I tell myself that the sun will shine...
