(Dave Kirby - Glenn Martin)

Rain dripping off the brim of my hat
Sure is cold today
Here I am walkin' down 66
Wish she hadn't done me that way.

Sleeping under a table in a roadside park
Why a man could wake up dead
But it sure seems warmer than it did
Sleeping in my king size bed.

Is anybody going to San Antone
Or Phoenix, Arizona
Anyplace is all right as long
As I can forget I've ever known her.

--- Instrumental ---

Wind whipping down the neck of my shirt
Like I've got nothing on
But I'd rather fight the wind and rain
Than what I've been fighting at home.

Yonder comes a truck with the US mail
People writin' letters back home
Tomorrow she'll probably want me back
But I'll still be just as gone.

Is anybody going to San Antone
Or Phoenix, Arizona
Anyplace is all right as long
As I can forget I've ever known her.

Is anybody going to San Antone
Or Phoenix, Arizona
Anyplace is all right as long
As I can forget I've ever known her...
