(Billy Walker)

She cooks my breakfast every morning  
She cleans my house and makes my bed  
She welcomes me home every evening  
And she does everything to make me feel like a king.

She loves me and she lets me know it  
She picks my dreams up when they fall  
And she's the sun the moon the stars to me  
And she outshines them all.

She reads me funnies when I'm glooming  
She makes me happy when I'm blue  
She's always sweet and gentle to me  
And when my sunshine's gone she knows how to turn it  
on.

She loves me and she lets me know it  
She picks my dreams up when they fall  
And she's the sun the moon the stars to me  
And she outshines them all...
