(Abner Spector)

Meeting in smoky places  
Hiding in shadowy corners  
Dancing where no one knows our faces  
Sharing love stolen in the night in smoky places.

Oh, how I cried on your wedding day  
Oh yes, I thought that my heart would break  
Now you regret your wedding day  
You're paying now for your mistakes.

Meeting in smoky places  
Hiding in shadowy corners  
We're dancing where no one knows our faces  
Sharing love stolen in the night in smoky places.

Dancing where no one knows our faces  
Sharing love stolen in the night in smoky places...
