(Harlan Howard - Buddy Mize)

I had to have the gun to get the gold
And I had to have the gold to get the girl.

She wanted things I couldn't buy I knew I'd lose her love
And she was everything in life that I've been dreaming
of
And desperation one dark night began my life a crime
I knew where someone kept a gun and now the gun was
mine.

I had to have the gun to get the gold
And I had to have the gold to get the girl.

--- Instrumental ---

I robbed and stole I even killed to win her for my own
Then found her in another's arms one night when I
came home
I drew my gun they tried to run but never made the
door
And by their side I threw the gun I wouldn't need no
more.

No, I wouldn't need the gun to get the gold
For I wouldn't need the gold to get the girl.

--- Instrumental ---

Now very soon I'll meet my doom the rope hangs just
outside
But when I found her in his arms that's when I really
died.

Oh, I had to have the gun to get the gold
And I had to have the gold to get the girl.

Oh, I had to have the gun to get the gold
And I had to have the gold to get the girl...
