(Still reaching for you)

I guess I'll love again that's the way life should be  
But right now I don't know when I could love honestly  
I'd have to hold her tight that would be hard to do  
I'd be holding her but these arms of mine would still be  
reaching for you  
My lips would tell a lie everytime they kissed her  
How could I look into her eyes when I'm thinking of  
yours  
I know that she'll ask me if my love is true  
And that would be a crime for these arms of mine  
would still be reaching for you
