(Ray Pennington)

Eva wears the nicest clothes money can buy
Pretty things have always caught Eva's eyes
She keeps up with the fashions and always looks so
neat
At a glance she appears to have everything she needs.

I go to her in the mornings sometimes when I'm low
There I fill my empty needs that I can't fill at home
Then I leave her in the shadows and no one knows but
Eva and I
What Eva wants the most of all money can't buy.

For what Eva doesn't have is what every woman
dreams of
To be with the man she needs and fulfill her dreams of
love
I wake up sometimes in the middle of the night crying
out loud
For I'm the only one who knows what Eva doesn't have.

Yes, I'm the only one who knows what Eva doesn't
have...
