(Vern Stovall - Buddy Smith)

Do his arms hold you tighter than mine  
Does he speak with a voice that's more kind  
Is his love more honest and true  
What's he got that I couldn't offer you.

Are you happier whenever he's near  
Had you rather be with him than be here  
I'll bow out if you walk me to  
What's he got that I couldn't offer you.

I know he's got more money than me  
Oh, but I'm richer in things he can't see  
What is gold compared to love that won't die  
Love is something that his money can't buy.

Be sure you know before you say we are through  
What's he got that I couldn't offer you.

What's he got that I couldn't offer you...
