These days my friends don't seem to know me  
without my suitcase in my hand  
where I am standing still  
I seem to disappear  
or maybe that's how I found you  
that's it's exactly what I want  
baby meet me so far away from home  
that makes it all so clear

chorus

cause you got that special kind of sadness  
that tragic set of charms  
time spent in Los Angeles  
makes me wanna wrap you in my arms  
people ask me where I come from  
see what that says about .

I only need you . directions  
...something written in the red lights  
is something . if I were you  
it would be exactly where I fall

chorus

cause you got that special kind of sadness  
that tragic set of charms

time spent in Los Angeles  
makes me wanna wrap you in my arms  
I used someone will love me  
for places that I have been  
and the dirt I have been gathering  
deep beneath my nails  
but now I know what I have been missing  
I am going home to make you mine  
and I'll be . ashes ... cause you got that special kind of  
sadness

you got that tragic set of charms  
time spent in Los Angeles  
makes me wanna wrap you in my arms  
chorus

cause you got that special kind of sadness  
that tragic set of charms  
time spent in Los Angeles  
makes me wanna wrap you in my arms
